The NORTH TRAIL's all-aluminum, laminated construction provides unmatched strength and support - providing your family with years of carefree use. Besides it's superior construction and lightweight design, you'll appreciate NORTH TRAIL's attention to detail with Amish-crafted hardwood doors and drawers, decorative glass inserts, oil-rubbed bronze hardware, plush designer furnishings, room for large flat screen televisions and more!

NORTH TRAIL ultra lightweigth towables are designed with young families in mind! The dinette makes into a bed for added sleeping space.

Wide open, spacious floorplans are the norm in the NORTH TRAIL line of ultra light weight towables. While large kitchen slide-outs like this are typically reserved for coaches costing thousands more, this NORTH TRAIL model provides a truly wide-open feel, as well as large base cabinet and overhead storage, over-sized windows and a sofa and dinette that both convert into beds for additional sleeping capacity.

There's room for everyone in this extra-large NORTH TRAIL dinette! Whether it's game time, meal time, or bedtime - this flexible U-shaped dinette is perfect for entertaining and is surrounded by beautiful glass inserts in the overhead cabinetry, a decorative multi-textured slide-out fascia design and features a removable table turning it into a lounge area!

The large neo-angle shower in this NORTH TRAIL highlights an impressive bathroom design featuring a window, nice sized lav base and power vent overhead.

With a clean exterior look featuring sleek graphics, an aerodynamic front end design and LP bottle cover, the NORTH TRAIL looks good behind any tow vehicle!

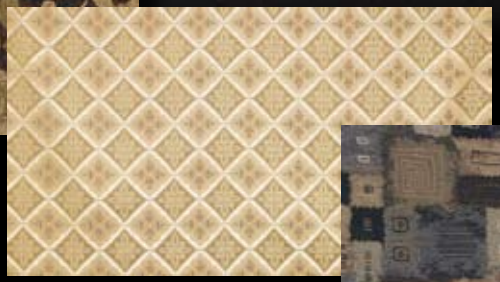

This bedroom is typical of most NORTH TRAIL units, featuring a large queen bed, an abundance of overhead cabinets, matching shirt closets, nightstands, and two windows for great ventilation.

When it comes to underbed storage - NORTH TRAIL has thought of you - providing two deep pull-out drawers which can bet accessed even when someone is on the bed!
