THE NEXT GENERATION
OF MID-PROFILE
FIFTH WHEELS &
TRAVEL TRAILERS

SUNDANCE

Model 3200 RE

AFFORDABLE LUXURY

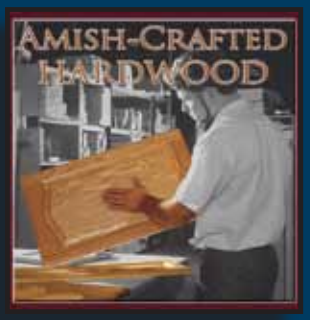

The all-new SUNDANCE by Heartland Recreational Vehicles is without doubt the most value-packed mid-profile fifth wheel on the market today. With exciting new features such as solid surface counter tops, oil-rubbed bronze hardware, elegant high-backed dinette chairs, air-mattress hide-a-bed sofas, solid hardwood cabinetry with steel ball-bearing drawer guides and optional Euro recliners - SUNDANCE simply offers more for the money! Choose from a variety of multiple slide-out floorplans, including six different triple-slides offering the ultimate in interior spaciousness. Another great SUNDANCE feature is the location of our main air conditioning unit. By placing the A/C at the rear of the unit, not only does it lower the overall height of the coach, but tests show that the energy and cooling efficiency of the unit is increased up to 20% by only having to blow air a single direction (forward) versus two ways.

HEARTLAND ADVANTAGE
beauflor
Durable, Resilient Non-Slip Flooring

STANDARD
OAK
Hardwood

SPACIOUS INTERIORS

You'll appreciate the open, spacious floorplan designs in each of the SUNDANCE fifth wheels - accentuated by large electric slide-out rooms, elegant ceiling fans and warm hardwood cabinetry with solid-surface counter tops, elegant slide fascia designs, hard sided window valances, day/night shades and loads of base cabinet and overhead storage.

HARDWOOD CABINET DOORS & DRAWERS

Be sure to check when shopping whether other brands have the typical, thin hardwood veneers over chipboard - or real Amish-crafted hardwood doors like SUNDANCE.

HEARTLAND ADVANTAGE
Hidden Hinges

Model 3300 RLB

STEEL BALL BEARING DRAWER GUIDES

When it comes to smart designs - the SUNDANCE leads the way with convenient and helpful concepts like our full-extension steel ball bearing drawer guides. The extra strong drawer guides allow us to offer larger drawers which extend past the cabinet face for maximum usage.

Model 3200 FK

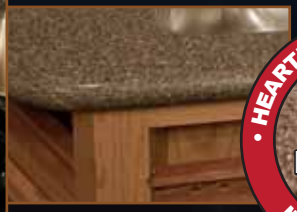

Model 3300 RLB

HIDDEN VALUE

There are numerous hidden values located throughout the all-new SUNDANCE, including the convenient extra storage found in the bases of each dinette seat - a great place to store valuables or games.

TRUE SOLID SURFACE COUNTER TOPS

Don't settle for lesser quality laminated counter tops or thin fiberglass covered particle-board. SUNDANCE's solid-surface counter tops feature consistency throughout which can be easily repaired in case of scratches.

SUNDANCE

3300 RLB
REAR LOFT - PERFECT FOR FAMILIES

RESOURCEFUL USE OF LIVING SPACE
SUNDANCE offers a unique loft design. Perfect for families, couples, or anyone interested in accommodating extra guests. Imaginative use of floorspace, including an UPSTAIRS!!! SUNDANCE is the answer to easy, fun living. Just up the stairs you find more sleeping area or extra storage space, you decide.

Model 3300 RLB

STANDARD OAK Hardwood

ILLUMINATED STAIRCASE
SUNDANCE offers an illuminated staircase for SAFE and Easy access to the loft for children and adults alike.

Yet another SUNDANCE smart design - the air-mattress hide-a-bed sofa offers the ultimate in comfort, as well as a deep drawer that is perfect for storing throw blankets and other items.

Model 3300 RLB

ROOMY SLIDE-OUT BEDROOMS

Each SUNDANCE mid-profile fifth wheel features a roomy queen bed slide-out for maximum comfort and spaciousness. Like fifth wheels costing thousands more, the SUNDANCE features two windows in the slide room for maximum ventilation, a full-width wardrobe with built-in storage shelves, a deep four-drawer dresser and a LCD TV shelf with antenna and cable hook-ups.

Model 3300 RLB

MORE STORAGE!

You'll love the way SUNDANCE maximizes storage opportunities by smart engineering and utilizing each and every square inch of the coach to provide our customers with more room for their belongings!

HIDE-A-BED AIR-MATTRESS

Yet another SUNDANCE smart design - the air-mattress hide-a-bed sofa offers the ultimate in comfort, as well as a deep drawer that is perfect for storing throw blankets and other items.

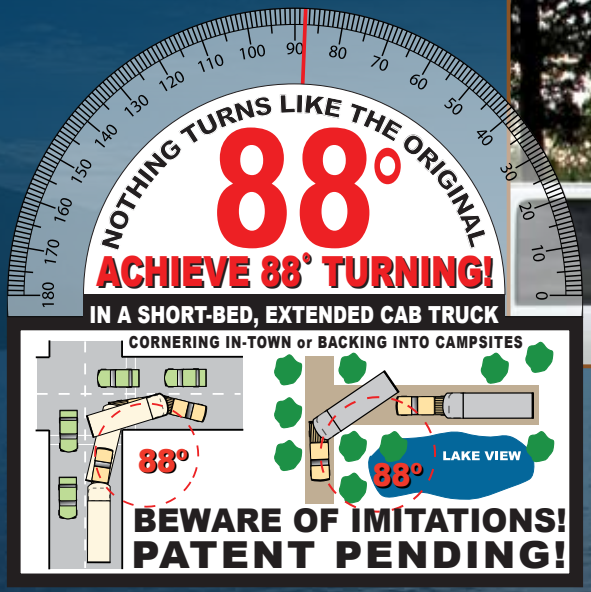

UNIVERSAL DOCKING CENTER

The FIRST of its kind in a mid-profile fifth wheel! The SUNDANCE UDC offers all of the unit systems hook-ups, including tank pull handles, in a single, concealed exterior compartment! Normally reserved for coaches costing tens of thousands more - SUNDANCE brings this feature to a price point where customers will really appreciate its everyday value. Because the underbelly of the SUNDANCE is enclosed and heated and insulated, the gate valves are protected against the elements.

SUPERIOR CONSTRUCTION AND DESIGN TRANSLATE INTO A SUPERIOR VALUE!

Perfect for Short-Bed, Extended-Cab Trucks
No Slider Hitch Necessary

STUNNING FRONT CAP DESIGN
The fiberglass front cap for the SUNDANCE is all new with sleek radiuses and design lines flowing through it. The Patent Pending turning radius design is perfect for short-bed, extended-cab trucks!

ZERO° TESTED!

Heartland 5th wheel Construction has been subjected to rigid testing in the famous DOMETIC™ extreme temperature testing chamber where it passed with flying colors! The chamber is set to 0° to test the unit's heating efficiency, followed by being set at 100° to test it's cooling efficiency. With our thick 2" laminated walls; enclosed and heated underbelly; and insulated floor - the interior of the Heartland coach remained warm and comfy during the sub-freezing test and nice and cool during the heat test!

TRUE SOLID-SURFACE.

SUNDANCE's HANEX™ TRUE RESIDENTIAL SOLID SURFACE Counter Tops increase the usability, beauty and value of our coaches. The advanced blend of natural materials and pure, acrylic polymer is formed over a strong plywood base, providing design versatility and long-term performance to our customers. Hanex™ is one of the toughest counter tops in the world that is both durable and RENEWABLE.

RENEWABLE means it is the same consistency through and through and if scratched or chipped, can be easily repaired so that it looks like new!

The competition on the other hand... offers only a thin layer of FIBERglass, adhered to lesser quality particle board material that disintegrates when it gets wet. The FIBERS of these counter tops tend to stick out of the bottom edges and are painful to the touch.

vs. THIN FIBERGLASS.

SUNDANCE

MORE GREAT FEATURES...

SUNDANCE customers can enjoy listening to their favorite CD or radio station outside the coach through the **EXTERIOR SPEAKERS**. True fifth wheel enthusiasts love the standard **16"** aluminum rims and radial tires - providing better towing. The standard **HITCH COVER** provides not only a great look - but improved aerodynamics.

Stainless steel double sink mounted in true solid surface countertops with matching solid surface sink covers. Sundance's solid surface countertops are Certified for food preparation making food preparation safer for your family.

Built-In Black Tank Flush System

No more dragging hoses inside and using messy toilet wands. Our built in black tank flush system offers spray heads INSIDE the black tank acting like a power washer to assist in making sure the tank is properly and completely emptied when dumping!

OPTIONAL 50-AMP SERVICE FOR DUAL A/Cs

This detachable, 50-Amp electrical power cord is rarely available on a coach in this price point. More and more campers are staying for longer periods of time and the SUNDANCE offers both the spaciousness and amenities for even the most discriminating buyers. The diamond-plated steel bumper provides a great place for bike racks while protecting the coach when maneuvering.

HEARTLAND
RECREATIONAL VEHICLES, LLC

Heartland Recreational Vehicles
1001 All-Pro Drive • Elkhart, IN 46514 • 574-262-5992

Community. Convenience. Close-to-home.

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home? After all, home is where your Heartland is!

BENEFITS OF PURCHASING YOUR RV LOCALLY:

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service – in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

DON'T UNDERESTIMATE CUSTOMER SERVICE AND PERSONAL CARE!

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.

Your Authorized Heartland Dealer:
