SUNDANCE
BY HEARTLAND

THE NEXT GENERATION OF MID-PROFILE FIFTH WHEELS & TRAVEL TRAILERS

Platinum Package

Visit HEARTLAND on:

SUNDANCE by Heartland Recreational Vehicles combines luxury, comfort and spaciousness to provide you with a high end fifth wheel at a mid profile price! Wide-open layouts are enhanced by our curvilinear ceiling giving you and your family a taller, more open, residential living space to relax and enjoy. Entertain family and friends with the built in entertainment center that is positioned for great viewing from plush, comfortable, residential styled funiture.

Spacious Interiors

Choose from a variety of multiple slide-out floor plans, including six different triple-slides and a Quad-slide featuring curviliniar ceilings offering the ultimate in interior spaciousness. Whether you need to entertain guests, prepare a large meal, or just want to enjoy camping without feeling confined, SUNDANCE provides the answer time and time again!

Luxurious Interiors

SUNDANCE allows you to take all the luxuries of home with you on the road as we introduce residential designed entertainment cabinets in our new Chestnut wood, elegant glass panel cabinet doors, recessed quartz lighting, new stylish slide room fascia surrounding our large electric slide-out rooms and loads of storage in our Chestnut overhead cabinetry.

Beautiful Kitchens

SUNDANCE kitchens focus on large areas for food preparation and entertaining. Paired with our true solid surface counter tops and residential Beauflor flooring, you can count on a durable kitchen which will look great for years to come!

Seating for Four

Whether you choose our standard booth dinette or our optional free standing table and chairs, SUNDANCE brings comfort and a great look to your dining experience. SUNDANCE features new Chestnut cabinetry with loads of storage for all your goods! Be sure to check out the attractive new backsplash which all SUNDANCE units have to offer!

Camp Kitchen

Maximize your time in the great outdoors on the patio under the large awning while serving up great outdoor treats from the convenience of the outdoor camp kitchen available on select models. The camp kitchen's oversized compartment door serves as an awning for added shade and shelter. The LCD TV, refrigerator and microwave make this camp kitchen an Outdoor Party Center.

Model 285 TS

Lighter Weight. Full Featured.

Whether you are looking for a 1/2 ton towable or are just tired of hauling around and maintaining a larger luxury unit, SUNDANCE XLT answers the call by providing you the luxury amenities of our top selling SUNDANCE in a smaller, lighter, easily manageable, fully laminated, fifth wheel. From single slide couples coaches to triple slide units, SUNDANCE XLT provides multiple possibilities to meet your exact camping and travel needs.

Model 285 TS

Model 285 TS

Model 285 TS

Model 285 TS

TRUE TEST!

OVER 3,700 Pounds!

Plant Manger Steve Johnson was so confident in the superior design and strength of the XLT roof construction that he offered to have his personal truck lifted up and set on the coach to test it! There is no "photoshop" work on these photos - the truck was set on the roof of the coach with no extra support and it passed the test with flying colors!

NOTE: Heartland does not recommend, nor condone the setting of automobiles or trucks on the roofs of our recreational vehicles. This test was performed soley for advertising purposes to show the incredible strength of our laminated roof.

XLT's LAMINATED Floor Construction
easily supported over 1,800 lbs. of Water Jugs in one spot - resulting in less than 1/4" of flex!!

LAMINATED FLOOR SYSTEM

XLT's LAMINATED Floor System is one of the **STRONGEST FLOORS** in the industry! Featuring sturdy Aluminum Framing; thick Block Foam Insulation; One-Piece Seamless Decking and a Thermo-Board Luan on the bottom. All of this is Laminated together for Maximum Strength and Insulation R Value - virtually eliminating flex in the floor!

Heartland builds recreational vehicles with as many residential features and construction methods as possible and we are excited to introduce this Laminated Floor System in our mid-profile fifth wheels. Choose Heartland for Maximum Strength; Maximum Insulation Value; and Minimal Flex!!

HEARTLAND's LAMINATED FLOOR

XLT, YOUR LAMINATED WORLD...

YOUR LAMINATED WORLD
HEARTLAND ADVANTAGE

Strength, Durability & Comfort BEYOND COMPARE!

The combination of these three systems bring you the Strongest and Lightest construction available while also providing unparalleled noise reduction, thermal insulation and durability. Protecting your investment is important to HEARTLAND. Laminated construction provides that protection in addition to offering peace of mind that you will be spending more time enjoying your family and travels than worrying about repairing your RV.

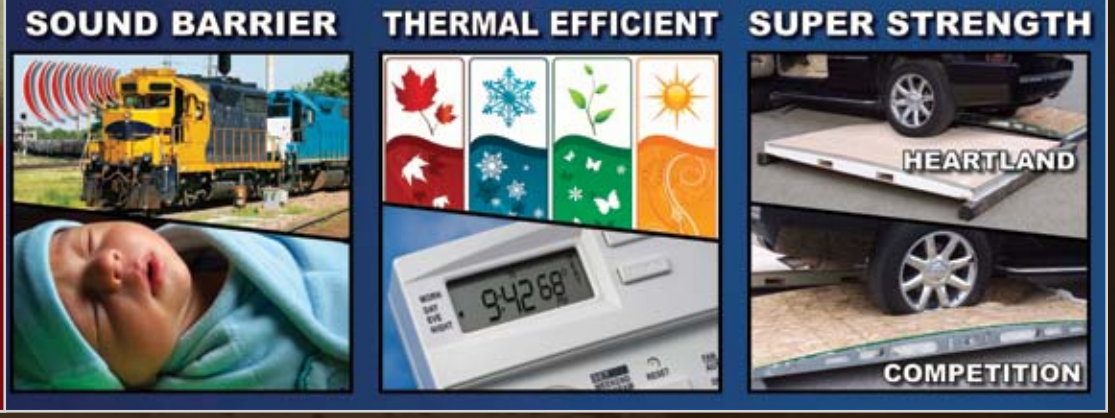

LAMINATED ROOF SYSTEM

LAMINATED WALL SYSTEM

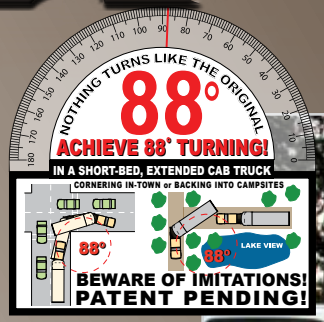

Strength, Durability & Comfort BEYOND COMPARE!

SUPERIOR CONSTRUCTION AND DESIGN TRANSLATE INTO A SUPERIOR VALUE!

SUNDANCE XLT

Perfect for Short-Bed, Extended-Cab Trucks
No Slider Hitch Necessary

STUNNING FRONT CAP DESIGN
The fiberglass front cap for the SUNDANCE is all new with sleek radiuses and design lines flowing through it. The Patent Pending turning radius design is perfect for short-bed, extended-cab trucks!

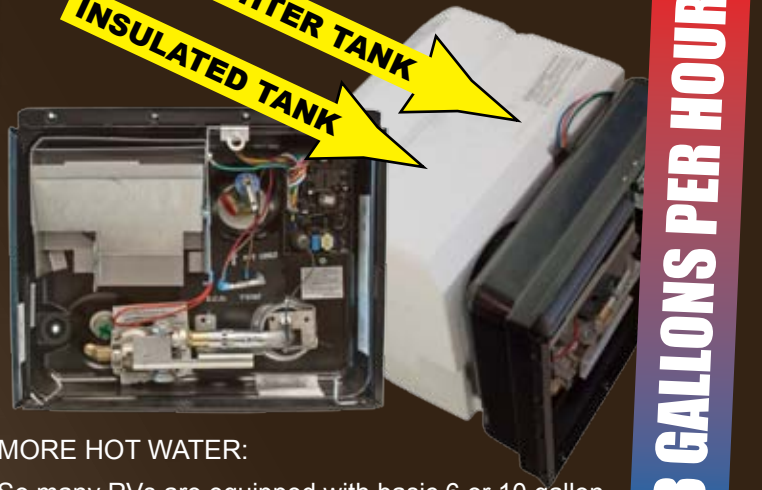

Hide-A-Bed Sofa Sets up and stores in seconds.

SMART DESIGN
HEARTLAND ADVANTAGE

AM/FM CD/DVD MP3 Stereo with one touch speaker control for outdoor, bedroom or living areas. Control the stereo from your Bluetooth enabled smart phone, stream music from your smart phone and even place or receive calls through the Wireless Link system.

18 GALLONS PER HOUR

MORE HOT WATER:
So many RVs are equipped with basic 6 or 10 gallon hot water heaters and that's all you get. SUNDANCE features a Quick Recovery system that can heat up to 18 gallons per hour making the difference between just getting wet and enjoying a hot shower. Additionally our water heater is significantly lighter than others and there is no anode rod to replace saving you time, weight and money.

Flex-Foil Insulation:
An incredible insulated blanket of double, flex-foil insulation with an R-value of 14 is laid the full length of the underbelly and the bedroom/ bathroom deck of the coach to provide maximum energy efficiency.

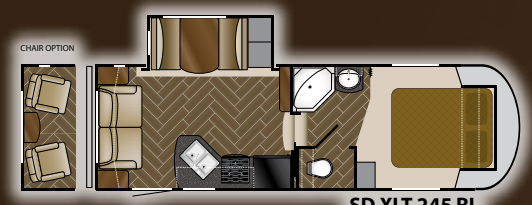

2° of Slope assists in removal of any sediment buildup when emptying the black tank.

HEARTLAND
RECREATIONAL VEHICLES

Heartland Recreational Vehicles
1001 All-Pro Drive • Elkhart, IN 46514 • 574-262-5992

Community. Convenience. Close-to-home.

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home? After all, home is where your Heartland is!

BENEFITS OF PURCHASING YOUR RV LOCALLY:

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service – in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

DON'T UNDERESTIMATE CUSTOMER SERVICE AND PERSONAL CARE!

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.
